To Whom It May Concern

INDUSTRIAL TRAINING FOR BACHELOR OF SOFTWARE ENGINEERING (EDUCATIONAL SOFTWARE) WITH HONOURS UNDERGRADUATES

Referring to the above matter, we are seeking industrial placements for our final year undergraduate student **Muhammad Hakimi Bin Mastor (D20161072569)** from Bachelor of Software Engineering (Educational Software) program for a minimum duration of 3 months from **17th February 2020** until **31st July 2020** as part of the requirements for obtaining the degree.

2. Further, the objective of industrial training is to in still in students the right kind of work attitudes and professionalism in the real working environment. Thus, we would be glad if your company would be able to assist us by providing places or temporary employment for our students to learn and experience firsthand from your industry.

3. We hope to secure placement for our students and we would like to express our sincere gratitude to your company for the support of our Industrial Training program. We look forward to a meaningful development of the University-Industry relationship between your company and UPSI in the future.

Please help us to complete the reply form and e-mail / fax back to us if you intend to take our students. If you have any further enquiries, kindly contact the Coordinator, Mrs. Harnani Mat Zin at +60124683480 or email harnani@fskik.upsi.edu.my.

Thank You.
